Thiri.

Websites & apps built for how India actually uses them.

Design-led websites, directories and web apps for small businesses, creators and founders. WhatsApp-first, mobile-first, and ready for real users from day one.

Rate Card · 2026–27

Mobile-first, always

Most of your customers will only ever see your site on a phone. We design for that first.

WhatsApp-native

Click-to-chat, shareable links and QR codes, built in from the start.

Prototype before you pay big

Test your idea with real users before committing to a full build.

PACKAGES

Pick where you're starting

Every package includes mobile-friendly design, a free 30-minute discovery call, two rounds of revisions per stage, and a launch walkthrough.

VALIDATE AN IDEA

Clickable Prototype

For founders who want to test an idea with real users before building it.

STARTING AT

₹15,000

About 1 week

- Clickable, shareable demo that works on a phone
- Key screens and user journeys
- Feedback questions and a WhatsApp message kit for testing

Like our **Society Entrepreneur** directory prototype

GET ONLINE

Starter Website

For artists, freelancers, tutors and home businesses.

STARTING AT

₹12,000

1–3 pages · 5–7 days · Wix, Framer or custom

- Portfolio, about and contact pages
- WhatsApp button and enquiry form
- Basic SEO and Google Business Profile setup

Like our **artist portfolio** site on Wix

GROW

Business Website

For clinics, shops, studios and service businesses.

STARTING AT

₹35,000

5–8 pages · 2–3 weeks · custom design

- Custom design matched to your brand
- Service pages, gallery, enquiry forms, Google Maps
- SEO setup, analytics and speed optimisation

Ideal next step after a Starter site

MOST REQUESTED

Directory & Listing Platform

For marketplaces, local directories and listing businesses.

STARTING AT

₹80,000

4–6 weeks · database-backed

- Searchable listings with filters and profile pages
- Admin panel to add, approve and edit listings
- Custom domain, professional email and secure database

Like **Pippy Pets**, our pet-care directory

BUILD A COMMUNITY

Community Web App

For platforms with logins and different kinds of users.

STARTING AT

₹1,50,000

6–10 weeks · custom quote after discovery call

- Separate views for customers, providers and admins
- Sign-up, onboarding, enquiries and lead inbox
- Full brand system, QR and share links

Like **Apna Aangan**, our neighbourhood marketplace

SCALE

Two-Sided Platform

For hiring, booking or matching platforms with two user groups.

STARTING AT

₹3,00,000

8–14 weeks · custom quote after discovery call

- Onboarding journeys for both sides
- Matching, applications and status tracking
- Dashboards, notifications and referral flows

Like **Nayi Disha**, our frontline hiring platform

All prices exclude GST and third-party running costs

Need more than that? Extra work is charged at **₹1,200 an hour**. For ongoing feature development, ask about a **Product Partner** retainer.

SELECTED WORK

What we've built

Our own products and client work, from one-page portfolios to full platforms.

OUR PRODUCT · DIRECTORY PLATFORM

Pippy Pets

A mobile-first pet-care app and directory of vets, groomers and pet services, with an AI check that keeps every provider correctly categorised.

React · Supabase · AI verification · Custom domain + email

OUR PRODUCT · COMMUNITY WEB APP

Apna Aangan

A neighbourhood marketplace where local providers list their services and residents find them. Separate views for residents, providers and admins, with privacy built into the database.

Next.js · Role-based access · QR + share links · Brand system

TWO-SIDED PLATFORM

Nayi Disha

A WhatsApp-first hiring platform that connects frontline workers in retail and banking with employers, including QR-code partner referrals.

WhatsApp-first · Employer + applicant flows · Referral payouts

STARTER WEBSITE

Artist portfolio

A clean portfolio site on Wix for a working artist to show their work and take enquiries, quick to launch and easy for the artist to update.

Wix · Portfolio · Enquiry form

HOW WE WORK

Payment
50% to start, 30% on design approval, 20% before launch. Larger platforms are billed by milestone.

Running costs
Domain, hosting, database and app-store fees are paid by you, at actual cost. We'll help you set them up.

GST
Prices exclude GST, which is added as applicable.

Revisions
Two rounds per stage included. Further changes are billed at ₹1,200 an hour.

Ownership
You own your website, code and content once the final payment is made.

Quotes
Valid for 30 days. Final pricing is confirmed after the discovery call.

Let's talk about your idea

Book a free 30-minute call. We'll suggest the right package, with no obligation.
