SELECTED WORK

What we've built

Products we run ourselves, and websites we've made for clients and communities.

OUR PRODUCT

Pippy Pets

A pet-care app where parents add health records by speaking or by scanning vet documents with AI, and search a directory of vets and groomers. Its business platform lets boarders and groomers keep their customer book and send owners photo updates.

pippypets.com · pippypets.com/business

OUR PRODUCT

Apna Aangan

A neighbourhood marketplace with separate views for residents, providers and admins.

apnaaangan.com

HIRING PLATFORM

Nayi Disha

A WhatsApp-first hiring platform for frontline workers, with an AI training simulation: staff practise real customer conversations with an AI customer, then get a score and coaching before trying again.

Demo on request

CLUB HOUSE

Peeds Park

Facilities, gallery, reviews and enquiries for a club house in Kerala.

peedspark.com

FESTIVAL

Gulmohar Utsav

A society Ganeshotsav site with the programme, volunteer sign-ups and registrations.

REUNION

Batch Reunion

Alumni register and see the programme; organisers manage registrations from an admin area.

ARTIST

Sonal's Art Studio

A portfolio for a charcoal artist, with commission enquiries.

HOW WE WORK

Payment
50% advance to start, 30% after design approval, 20% before launch.

Running costs
Domain at actual cost + ₹300 setup. Hosting and other third-party services, such as payments or SMS, are charged at actual cost.

Ownership
You own your website and its content once the final payment is made.

Revisions
As listed in each package. Further changes are billed at ₹800 an hour.

After launch
30 days of free bug fixes for the agreed scope, then an optional yearly care plan.

GST & quotes
Prices exclude GST. Final price depends on scope and is confirmed after the discovery call.
